“This is the reality,” emphasised the dictator when stating in his “strategic framework” speech that elections would be held by September 2014. Well, hold on a moment. It’s NOT the reality. It’s just a form of words trotted out by a corrupt tin-pot dictator with a long list of broken promises and pledges to his (greatly discredited) name. No Frank, the “reality” is not some point five years into the future that you have nominated after getting the puppet president to abrogate the constitutio
